Monthly Design Payment Plan Information

The following are requirements for the INH Monthly Payment Plan for Start-Ups.

- 1- You must be a small business start-up, in business 1 year or less.
- 2- You must not already have a website for your business.
- 3- You must make a down payment of \$25, and sign an agreement to continue service for at least 1 year. If you decide to continue service after that, you will only pay the standard hosting rate, the domain renewal fee, and the SSL renewal fee per year. (Approx. \$60 per year)

This offer includes our basic Web Site Design Package.

Basic Package

This package includes:

1. *A FREE Domain Name;
2. **A basic 4-5 page site made with Word Press ;
3. ***Free SSL Certificate;
4. Basic Hosting Package for 1 year.

*FREE Domain Name includes private registration for 1 year; (.coms only, other TLD's at a slightly higher rate; ask for details).

**Basic 4-5 page site (i.e., Home, About, Services, Contact, etc.)

***An SSL Certificate protects your domain and its visitors as well as their data.

Private Domain Registration means that when you register a domain name, your personal contact information is available on the Internet for anyone to see. This is where MyDomain's WHOIS Privacy product steps in. MyDomain's Domain Privacy protects your personal privacy by making your domain registration private.

If you would also like the Social Media Upgrade you would pay an additional \$10 a month, for a monthly total payment of \$35.
